Phil<sup>a</sup> Feb. 20/52

My dear friend:

I forward to you to day,  
via New York, a package of  
books just received from Paris.

They are a donation to you  
from the Hon. Victor Schœlcher,  
late member of the French  
Chamber of Representatives, &  
can give all his works on  
the slave question. He has  
desired me to present them  
to you - which I take great  
pleasure in doing - as a to-  
ken of his high appreciation  
of your services in the cause  
of Emancipation & his sincere

sympathy with you in your  
labors.

I have assigned the  
package to the care of Mr  
Gay who will doubtless  
forward it to you.

Yours sincerely

Maria Kim
